Mr. J. Edgar Hoover
Director
Federal Bureau of Investigation
United States Department of Justice
Washington, D. C.

Dear Mr. Hoover:

Please allow me to have the pleasure of extending my personal congratulations and those of the Central Intelligence Agency on the completion today of your twenty-five years as Director of the Federal Bureau of Investigation.

You have set a shining mark in those years as an example of good Americanism, and I trust that that example may be followed by the other branches of Government and that you may continue to have at least twenty-five years more of such excellent public service.

Again with my sincerest congratulations, believe me,

Most cordially,
